

DAVID CADMAN M.D., M.Sc., FRCPC
Pediatrician
Child & Adolescent Mental Health & Development

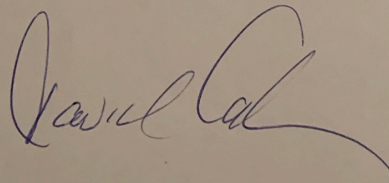

February 26, 2019

To Whom It May Concern:

**Re: Amanda Whelan
D.O.B. 01/30/2001**

I am following Amanda regarding post-traumatic stress disorder. Amanda requires school accommodations including a quiet place for tests, exams, and independent work assignments and time allowances. She requires memory aids at school.

Sincerely,

David Cadman M.D., M.Sc., FRCPC
DC/nb
