

Adoption Information

Reference Number 59D

Adoption Number 000971

THANK YOU FOR SAVING A PRECIOUS LIFE

This animal goes to his/her new home on a 14 day settling in period. If for any reason your adopted dog is returned to ARQ within this period, the full adoption fee (minus a \$35 admin fee and any payment fees incurred) will be refunded. If at any time in the future your dog ever needs to find a new home for whatever reason, please do not give them away, surrender to a pound or shelter or try and rehome them. Please contact us for assistance.

ANY EXISTING CONDITIONS/SYMPTOMS:

Animal Rescue Qld Pty Ltd hereby discloses that this animal has been diagnosed with, or treated for, the following medical and or behavioral condition(s). The adopter recognizes that this medical and or behavioral condition exists and is willing to adopt the animal at this time. The adopter also recognizes that all care has been taken to identify any current conditions; however Animal Rescue Qld Pty Ltd cannot guarantee that there are no further medical and or behavioral condition(s). The adopter also recognizes that this animal may need veterinary care immediately or in the future, and they will be responsible for all veterinary charges incurred.

*The adopter understands that the age given is an estimate only, and cannot always be accurate. In many cases, veterinary professionals have given a best approximation based on overall health and condition.

If you have any questions regarding this medical disclosure please contact our veterinary clinic – Grange Vet Clinic on (07) 3856 4882.

Indemnity Notes (if there is no info, it means there are no recorded indemnities)

MICROCHIP:

ARQ re-homes animals that have been surrendered to our care, or alternatively transferred from a council pound or other shelter organisation. We have ensured that your adopted animal either was previously microchipped or has been microchipped while in our care, however it is YOUR RESPONSIBILITY to update the details and pay any transfer costs accordingly. ARQ have included an appropriate transfer form with your paperwork. Please fill in your details and send the form off, along with a copy of this form and your adoption payment receipt to the microchip company.

INFORMATION for pet owners:

Being a pet owner also brings responsibilities. You need to:

- provide your pet with appropriate food, shelter and care
- provide qualified veterinary treatment in cases of injury or illness
- exercise the animal regularly and ensure the home or fences are secure
- ensure that an ID tag is worn on the collar at all times in case they're lost / found
- register your dog in your appropriate council area
- have your pet's microchip details up to date so it can be identified and returned to you if lost
- request a permit from your local council if you want to own more animals than are allowed in your council area.
